Libraries & Communities Working Together

We are celebrating National Library Week, April 10-16, with a month-long program called **Food for Thought**. Starting April 1 through April 30, patrons who owe fines can clear or reduce amounts owed on their accounts and help the community at the same time. Simply bring unopened, unexpired canned or packaged food to any Las Vegas-Clark County Library District branch. The Library will waive up to \$2 in fines for each item donated, which will go to support Three Square. You do not need to clear your account in order to participate, and there is no limit to the dollar amount that can be waived. Unfortunately, we cannot give future credit based upon contributions. Please find more information below, at your local branch or on our website at www.lvccld.org as we get closer to April.

April is also National Volunteer Month, a time to celebrate the work that volunteers do all year round and to encourage new volunteers to make a difference in their communities. Volunteer activities include assisting in the used bookstores, tutoring and providing other assistance for the Library's Community Adult Learning in Libraries (CALL) program, shelving books and helping with special events. For the fiscal year ending June 30, 2015, volunteers contributed 40,587 hours. We couldn't do what we do without them!

We're celebrating a partnership with **DISCOVERY Children's Museum** in April. Please encourage your friends and family to sign up for a library card during the month of April, or if they already have a library card, Like Us on Facebook, and they'll be automatically entered for a chance to win the Grand Prize of a DISCOVERY Children's Museum gift basket, which includes a Family 4 Level membership. Plus, library cardholders will receive an exclusive discount admission price of \$3 off per person and children under one are free. Find more information on page 11.

We're pleased to participate this year in **Each One Read One**, a "community reads" partnership with the Clark County School District and the Public Education Foundation. This program is designed to foster community connection while promoting literacy by encouraging valley residents to read the same book and discuss it at home or in a variety of settings. This year's title is *Mr. Ferris and His Wheel* by Kathryn Gibbs Davis, which explains how the American inventor George Ferris defied gravity and seemingly impossible odds to invent the world's most iconic amusement park attraction, the Ferris wheel. Come meet this exciting author, Kathryn Gibbs Davis, at the West Las Vegas Library on Thursday, March 3.

Looking for activity ideas for your teens? Join us for Teen Tech Week, March 6-12, by participating in branch programs across the valley that celebrate this year's theme, **Create It At Your Library**. We'll be conducting hands-on workshops where teens can explore, create and share content and make everything from emoji marble magnets and buttons to creating paper collages on canvas. Find out more on page 12 of this issue.

This spring your libraries are offering a dazzling array of programs of interest to all ages, including musical performances, dance programs and the hugely popular Banff Mountain Film Festival World Tour at the Clark County Library on March 10 and 11 at 7 p.m.

Please don't hesitate to reach out to me with ideas or suggestions. Feel free to contact me at administration@lvccld.org or 702.507.6186. Happy spring!

Executive Director Dr. Ron Heezen thanks volunteer Marc Lite, one of over 400 volunteers who help to contribute more than 40,000 hours each year.

Food for Thought - Library Community Food Drive

April 1 – 30, 2016

In celebration of National Library Week, April 10-16, the Library is having its Food for Thought program beginning Friday, April 1 through Saturday, April 30. The month-long program is intended to encourage the return of LVCCLD materials by library users whose overdue fines are keeping them from coming back to the library.

For each consumable, non-perishable, unopened, canned or packaged food item you bring in to the library, the Library District will waive up to \$2 toward LVCCLD patron fines to clear or reduce amounts owed. You will also be able to replace your lost or missing library card for free.

You do not need to clear your account in order to participate, and there is no limit to the dollar amount that can be waived. Unfortunately, we cannot give future credit based upon contributions.

Simply stop by any of the Library District's 25 convenient branches to take advantage of this offer. As you select your donation, please consider the healthfulness of the food. All donations collected will go to Three Square, whose mission is to provide wholesome food to hungry people, while passionately pursuing a hunger-free community.

The library has a collection of 2.3 million items of books, magazines, downloadables, CDs, DVDs, as well as online access to an array of information. Teens and children have access to online homework help offering a wealth of free resources designed to assist kids in elementary, middle and high school with their daily school assignments.

The Food for Thought program offers a great opportunity to clear your fines, help the less fortunate and see what's new at your local library.

For more information, visit www.lvccld.org.

Volunteers Give Back and Make a Difference

Volunteers play a vital role here in Nevada where, last year, 425,440 of our residents volunteered 56 million hours of service, making an estimated economic contribution of \$1.3 billion dollars!

The Library District is fortunate to have around 400 active volunteers at any time, contributing over 40,000 hours each year. This dedicated group of individuals makes a difference in a variety of ways – improving library services, helping people and making it possible to recycle donated books into new library program and material dollars.

The reasons for volunteering are as varied as our volunteers themselves. Many people want to gain new experiences, meet new people or learn a new skill. We asked some of our volunteers why they lend us their precious time and efforts. Here is what they had to say:

"What I enjoy most are the lasting friendships I have made."

~Sheila Eberle

"Initially I volunteered to keep my mind active. Over time, it is more about being of service and giving back to the community."

~Weiss

"Giving back to a world that has given me so many blessings, meeting people I would never have had the opportunity to meet and making a difference are the reasons I volunteer."

~Linda

"Volunteering helps me build my leadership skills and keeps me well grounded."

~Juliette

"I get the opportunity to help people find just the right book, and then get to be there when they come back, hungry for more. It makes me smile."

~Lacy

"Every day brings a surprise. People donate the most amazing books and we get to see those go to their next loving homes!"

~Matt Warren

Do you want to volunteer a few hours of your time? We are currently looking for bookstore volunteers and warehouse volunteers. Youth volunteers must be 14 years of age or older. If you're interested in volunteering, please contact Leslie at 702.507.3686 or email valdesl@lvccld.org. Volunteer forms are available on the Library District Foundation's website at www.lvccldfoundation.org under the Volunteer tab.

Love Your Library? Tell a Friend!

April 1-30, 2016

Introduce friends, family and neighbors to the benefits of having a library card. Encourage everyone to sign up for one during the month of April, or if they already have a library card, Like Us on Facebook, and they'll be automatically entered for a chance to win the Grand Prize of a **DISCOVERY Children's Museum** gift basket, which includes a Family 4 Level membership.

DISCOVERY Children's Museum addresses its core educational areas of science and nature, art and culture and early childhood development with 26,000 square feet of interactive hands-on core exhibits. With featured traveling exhibitions, daily programs, demonstrations and activities, and special events and collaborative cultural programming for all occasions, it all adds up to an exciting family outing with lots of informal learning opportunities.

Valued LVCCLD library patrons who already have a library card and want to visit **DISCOVERY Children's Museum** will receive an exclusive discount admission price of \$3 off per person and children under one are free. Simply show your LVCCLD library card at the **DISCOVERY Children's Museum** Visitor Services Desk to receive the exclusive discount beginning April 1 through April 30, 2016 only.

The Museum is open Tuesday through Friday, 9 a.m. to 4 p.m.; Saturday, 10 a.m. to 5 p.m. and Sunday, 12 p.m. to 5 p.m. Closed Mondays (except designated Monday holidays). Visit www.discoverykidslv.org for more information.

A library card can change a life or just make it more enjoyable. It's the card that allows free access to a collection of more than several million items of books, magazines, downloadables, CDs and DVDs, as well as online access to an array of information on just about any subject you can think of.

Tell your friends, family and neighbors to stop by any Las Vegas-Clark County Library District branch to fill out an application or apply online at www.lvccld.org. All they need is picture identification and proof of their current Nevada address.

Enjoy these educational- and science-related materials that are available at the library for check out.

CREATE IT AT YOUR LIBRARY!

This year's theme encourages teens to extend learning beyond the classroom where you can explore, create and share content. From makerspaces and fun with crafts to digital production, your library lets you express yourself and connect with others who share your interests.

Teen Tech Week is a national initiative designed to celebrate technology and help you learn how to use technology ethically and safely. You'll have fun at these programs, too!

Teen Tech Week Retro Tech Museum

Do you know what an 8-track is? Or a PalmPilot? In honor of Teen Tech Week, see if you can correctly identify a variety of items that were once considered high technology.

You Provide the Vision.

We'll Provide the Venue.

The Library District is proud to be a place that brings the community together to share information, attend programs, experience personal and educational enrichment, and connect with others. So, why not think of your library for your next group meeting, training event or gathering?

We have a variety of meeting rooms and performing arts centers available for public use to rent. Our spaces are designed to accommodate group sizes from 10 to 399 attendees based on the needs of your event.

Meeting Rooms:

- 18 spaces conveniently located throughout the valley
- Conference, multipurpose and board room settings
- Cost: \$30 per hour

Performing Arts Centers:

- 6 spaces throughout the valley
- Lecture hall, thrust and proscenium stage venues
- Cost: \$40 per hour
- Additional charges apply for technical and security staff and special requests

Reservations are accepted on a first-come, first-served basis. Meeting rooms may be reserved up to six months in advance. To view library locations and reserve a meeting room, visit our website at www.lvcld.org. Select "Libraries & Hours" on the navigation bar and choose the library where you'd like to reserve a space. Then click the icon link called "Rent Facilities Online" to complete the process.

Performing arts centers may be reserved up to one year in advance. To book a performing arts center or auditorium, please contact the scheduling staff at the designated library of interest:

A Free Resource to Help Businesses Grow

Have a business idea? Need new customers? Want to open a new location? Try BusinessDecision, a free consumer market database tool for new and existing small businesses, entrepreneurs and nonprofit organizations that helps businesses to succeed by increasing their market share and growing their clientele.

BusinessDecision combines extensive consumer household, business and demographic data with a powerful mapping technology known as geographic information systems (GIS) to provide information about local markets that can be used for competitive analysis, business plans, marketing plans and sales plans. The interface is designed to support new and experienced users. Setting preferences to meet your specific needs will allow you to run projects quickly and efficiently. Key features include defining a target area by radius or drive time and seeing what your target market spends on recreation, automotive, retail goods and more.

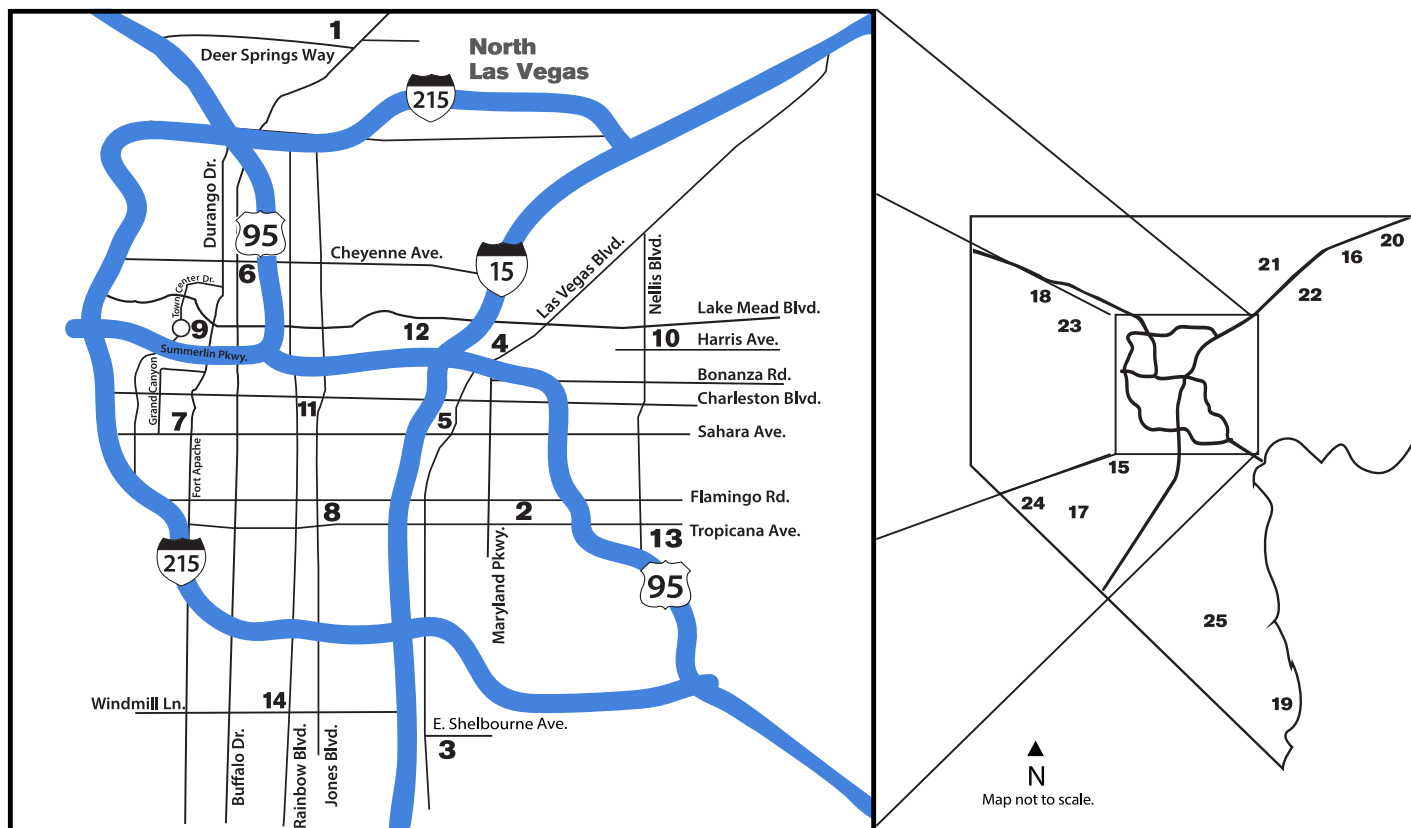

Local businesses will have access to the same consumer and demographic data used by the nation's top companies to help with such tasks as finding prospective customers, analyzing trade areas, evaluating competitors, identifying new store locations and targeting media buys and direct mail

campaigns. By using this free web-based tool, businesses can reduce costs, improve services to existing customers and attract new customers.

BusinessDecision data is updated annually with current year estimates of population and a five-year forecast, serving as the basis for demographics, market segmentations, consumer expenditures and business reports and maps. Data is collected from the Census 2010 or Census 2000.

LVCCLD library cardholders can access BusinessDecision at the library or from any remote desktop computer through the library's website at www.lvcld.org under the Find Information link. Library cards can be obtained online by visiting the library's website or at any LVCCLD branch. If you are unable to obtain a library card, you can simply stop in any of the Library District's 13 convenient urban branches.
